Welcome Back!

Fall 2015 Team 8B

Dear Parents and Guardians:

Once again, we would like to welcome back all of our students from last year for an exciting and enthusiastic eighth grade year experience. It has been an honor to serve as your child’s teachers at Monroe Middle School!

One of the most charming characteristics about our team is the students’ abilities to cooperate well with one another while in their respective classrooms. As a caring bunch of students, they always show concern and support for one another through good times and bad. It is this cooperation level that will take them far in their academic careers as they experiment with new learning styles and academic programs. The more cooperation and support we have from students and parents, the more we can do to add to each child’s learning success!

Listed below are some school supplies needed for the upcoming school year.

General supplies: pencils, blue or black ink pens, paper, portable pencil sharpener, folders, tissues, and hand sanitizer.

Soc. Studies: blue folder to keep papers in and colored pencils, markers, or crayons
