	19	MMS Band Concert 7:00 PM
	20	MMS Picture Retake Day 7:30 AM; Raisinville Fun Friday - Popcorn

Mrs. Everly thanked Dr. Ray for his support of the volleyball program.

Included in the calendar of events over the next couple of weeks are music concerts at Monroe High School and Monroe Middle School, and 4<sup>th</sup> graders begin their visits to the Michigan State Capital.

Over the last couple of days, the International Baccalaureate consultant has been at Raisinville School meeting with teachers, looking at units produced by the teachers, and visiting with parent and student groups. At a reception hosted by Raisinville staff, the consultant complimented the school on the IB units, as well as the facility.

This Friday is the first meeting of the Monroe Youth Advisory Council. Thirteen students from different school buildings will go to the City Hall to consult with the Mayor and Mrs. Everly. The purpose of this council is to find out what is important to these youth, what they would like to see in their hometown, and then devise action plans how to make their voices heard appropriately.

Mayor Clark and Mrs. Everly visited first grade classrooms at Waterloo and talked about the importance of walking to school safely and staying active. SEMCOG, who is trying to promote physical activity with students, donated flashing bracelets for students to wear when they walk to school.

Last Wednesday was count day, and our student loss was much less than projected.
