Mentor Interest Survey

Why do you want to be a Mentor?

- 1) Would you prefer to mentor a student in the career areas you are most familiar with or would you be comfortable mentoring any student? Why?

If you have a preference, what areas would you prefer?

- 2) What are two or three traits you would prefer your mentee have – to help you mentor.
- 3) What are your feelings on diversity? Are you comfortable with a mentee that is culturally different or would you prefer one more similar to yourself? Are there any other factors important to you e.g. age, lifestyle?
- 4) What do you hope to achieve in the mentoring process? When will you know you have been successful?
- 5) When would you like to begin? Please Circle.
