4	All Students will show significant growth/improvement in social studies skills at all levels.	Objectives: 1 Strategies: 4 Activities: 51	Academic	\$3830000

Goal 1: All students will show significant growth/improvement in English Language Arts skills, including reading comprehension and writing, at all levels.

Measurable Objective 1:

100% of Pre-K, Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Postsecondary, Adult and Ungraded grade Black or African-American, Asian, Bottom 30%, White, Economically Disadvantaged, Gifted and Talented, Hispanic or Latino, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native and Native Hawaiian or Other Pacific Islander students will demonstrate a proficiency in reading and writing in English Language Arts by 06/10/2016 as measured by district grade level and content related common assessments which have proficiency targets based on district expectations for grade level performance growth. Progress of Bottom 30% of students will be closely monitored for progress toward this objective..

Strategy 1:

Increase Family Engagement - District staff will increase parental involvement for the purpose of improving student achievement. This will enable parents to feel part of the learning community, be knowledgeable about school curriculum and goals, and interact with students and staff about learning. In an attempt to minimize transitions, build better relationships and create ownership of student progress, professional staff along with parents, will work together to increase multi-year work with students. (Materials may need to be supplied to parents to assist them with helping their children at home and to participate in various school related activities that promote their understanding of how best to support their child's learning.)

Measurable Objective 1:

2017-2018 Plan for District Improvement Plan

Monroe Public Schools

100% of Pre-K, Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Postsecondary, Adult and Ungraded grade Black or African-American, Asian, Bottom 30%, White, Economically Disadvantaged, Gifted and Talented, Hispanic or Latino, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native and Native Hawaiian or Other Pacific Islander students will demonstrate a proficiency level of achievement in Social Studies by 06/10/2016 as measured by district grade level and content related common assessments which have proficiency targets based on district expectations for grade level performance growth. Progress of Bottom 30% of students will be closely monitored for progress toward this objective..

Strategy 1:

Increase Family Engagement - District staff will increase family involvement for the purpose of improving student achievement. This will enable parents to feel part of the learning community, be knowledgeable about school curriculum and goals, and interact with students and staff about learning. In an attempt to minimize transitions, build better relationships and create ownership of student progress, professional staff along with parents, will work together to increase multi-year work with students. (Materials may need to be supplied to parents to assist them with helping their children at home and to participate in various school related activities that promote their understanding of how best to support their child's learning.)

Strategy 3:

PD for Targeted Instruction - Ongoing, job-embedded professional development will be provided to all instructional staff with a focus on the use of data to improve student achievement in social studies for all students including subgroup populations. Data would include evidence of student achievement trends for individual students and groups of students, demographic data, and data related to specific background and cultural aspects of specific subgroup populations. Professional staff with the assistance of coaches and other teacher leaders will implement routinely scheduled tasks that monitor individual student progress and enable the creation of action plans that foster the growth of student centered classrooms. The plan, teach, debrief process will be emphasized with a focus on best practices and a constructivist approach to learning. (Implementation of this strategy will utilize content area coaches
