Dear National Honor Society Council Members,

I would like to formally introduce myself. My name is Kaylyne Ford and I am a Junior at Monroe High School. I have been in the National Honor Society since inducted my sophomore year and have been in National Junior Honor Society the previous years. Recently I have been interested in getting a chance to help out and be a leader within the chapter. I am interested in running for the **Treasurer** position. I am qualified specifically in this spot because I have always been strong in math, I have always been in higher level math classes and I'm currently tutoring for math so I am really good with money and keeping track of it. I am very reliable and hardworking, this position is perfect for me because I will be very dedicated and help the chapter grow throughout the next year. This opportunity will be an excellent learning experience and help me expand my leadership skills to make a difference in this prestigious society. My goal is to lead the members of the chapter and make a positive impact. I hope to be considered a candidate by the council for Treasurer.

Thank you,

Kaylyne Ford
