## Superintendent's Comments Board Meeting #10 June 12, 2018

MONTH	DATE	Event
June	13	Last Half Day of School
	14	Learning Bank Graduation at MCCC 6:00 PM
	18-22	MHS Testing Out Exams Given
	21-23	M.A.R.C. Robotics Competition @ MHS

### Career and Technical Education (CTE) Machine Trades Program

CTE teacher, Tim Smith, introduced several students who were enrolled in his machine trades classes this year. The students shared their experiences and enthusiasm about the program, as well as samples of their work, with Board members.

### Superintendent's Comments

The Learning Bank graduation will take place this Thursday at Monroe County Community College at 6:00 p.m.

The Trojan softball team had another remarkable season! They are SEC and District Champs and narrowly lost their appearance in the Regionals.

Custer had four teams of girls participate in a coding competition sponsored by Ford Motor Company. Of these four team, two of our teams advanced to the state competition.

Mrs. Joseph and Mrs. Wallace were honored for becoming MiExcel facilitators of the Mechanical Level of Installation.

Mrs. Everly thanked everyone who participated in any way in carrying out Monroe High School's graduation. There was a particular challenge with the weather, but it all came together.

The video from the Safety Round Table that was held last month at Monroe Middle School will be available on our website this week.
