September	5	Students Begin
	19	Half Day for Students

Superintendent's Comments

Today we had a magnificent welcome back celebration with our staff. We welcomed new staff and had a great discussion about the work and the focus of the school year. United Way representative, Connie Carroll, surprised everyone with a \$10,000 check for the Trojan build! Mrs. Everly also announced that Monroe Public Schools was voted the Best of the Best school district in Monroe County!

The Trojan football team played a great opening game on Friday night at Airport. At our home football game this Friday, we will salute our veterans.

There was a huge showing this evening at Monroe High School's open house. Monroe Middle School and all elementary buildings will have their open houses tomorrow night.

Mrs. Everly thanked the executive team, Mrs. Eighmey, Mrs. Flynn, Mrs. Joseph, Mr. Oley, and Mr. Payne, for the amazing work they have done to get everyone ready for the school year.
