	18	Custer Popcorn Friday; PTO Family Movie Night 6:00 PM; MHS Orchestra Lock-in
	21	MLK Day – No School

- **Welcome back!** – After a restful break, we are finally back to begin a new year of learning and growing in our Monroe Public Schools community.
- **Acting in Service for All** – If you've followed our Facebook page over the holiday break, you will have learned about several examples of how our students and staff led efforts to support our community during the holiday season, living by example our Monroe Public Schools core value to Act in Service for All. Examples include:
 - Mrs. Carol Anteau's PPI (Positive Peer Influence) class at MHS adopted a family for Christmas.
 - Darren Pocs, restorative justice coordinator at MHS, led a collection effort to adopt four families for Christmas.
 - Raisinville Elementary collected over 2,500 items to donate to the Oaks of Righteousness, The Salvation Army and our local Women's Shelter.
 - Custer Elementary collected over 10 boxes of toys to donate to the Oaks of Righteousness.
 - Our students at the Orchard Center High School spent an afternoon decorating cookies with preschoolers from Head Start.

- Manor Elementary collected socks because they learned this is one of the most requested items at shelters.
- Monroe Middle School Students from Mr. Finnegan's TFT class surprised students from Mrs. Ourlian's 7/8 MOCI classroom with a holiday party (see handout of Monroe News article).

We are so proud of our students and staff and their efforts to support our community!

- **Trojan Bowling:** Our Monroe Trojans Bowling Team(s) held their 6th Annual Baker Tournament at the Monroe Sports Center on Sunday, January 6, inviting the community to see the results of their overwhelming support after many lost their equipment in the Nortel Lanes fire.
- **MHS BPA:** Monroe High School's Business Professionals of America students competed on Friday, January 4, 2019, at the Regional Leadership Conference at Henry Ford College. MHS took 22 students and 7 qualified for the State Leadership Conference to be held March 14-17, 2019, at the Amway Grand Hotel in Grand Rapids, MI. Here are the students that advanced, the place they finished, and their competitions:

- Kaylyne Ford 3rd place Human Resource Management
- Enzo Mignano 5th place Fundamental Word Processing
- Samantha Vandemark 2nd place Banking & Finance
- Nick Johnson 1st place Broadcast News Production Team
- Lexi Klemz
- Tylor Poore
- Mackenzie Tucker

If these students place at the top of their competition in March, they could advance to the National Leadership Conference that will be held May 1-5, 2019, in Anaheim , CA.

- **Raisinville Tooth Sleuth (in case they don't come):** Last week Peggy Miller, a custodian at Raisinville Elementary came to the rescue of Evan Shanafelt. Evan is in our young five's classroom and he lost his very first tooth during lunch. Unfortunately he literally lost it. When he appealed to Ms. Peggy to contact his mother if she found it, she took it upon herself to search the cafeteria between lunches to try to find his lost tooth. When she did find it, she presented it to Evan in a special box. Raisinville (as are we), is so appreciative of Ms. Peggy for being a special member of their family.
- **Communication with Manor Neighbors and Families:** You have a copy in your packet of letters we mailed to the neighbors of Manor Elementary School and to the families of Manor students thanking them for helping to keep our students safe during school arrival

and dismissal times, when the traffic flow is increased in the neighborhood. We have also offered them the opportunity to talk further if they have any additional concerns.

MHS Scoreboard
Winter Season
