- **Summer Book Study**: Director of Student Services Terry Joseph is leading our team of principals and coaches in a summer book study of “Influencer: The New Science of Leading Change” by Joseph Grenny. Participants will be discussing how to identify high-leverage behaviors that lead to rapid and profound change; apply strategies for changing both thoughts and actions, and marshal six sources of influence to make change inevitable.
- **Athletics Never Stop**: During the summer months our athletics department and athletes remain busy. Last night the Trojans hosted the All-Star Baseball game, and tonight are hosting the All-Star Softball game.
