KIDS CLUB STAFF

- Quality, professionally trained staff.
- All staff required to participate in several hours of professional development each year.
- All staff are certified in CPR, First Aid, and are finger printed by LARA.
- Staff will provide children with activities and curriculum that promote creativity and physical well-being in a safe environment as well as social interaction.
- Parents are welcome anytime!

SUMMER KIDS CLUB

Our summer program offers safe, quality child care from 6:30 AM to 6:00 PM, Monday through Friday for children age 3 - 12 at one of our licensed centers.

Children will experience activities and curriculum that promote fun, creativity and physical well-being in a safe environment.

Our experienced staff will supervise the children in arts & crafts, indoor & outdoor games and activities and other educational projects. Children will have opportunities to participate in field trips to places such as parks, the library and museum.

Call 265-4900 to join the summer fun!!
