

ATHLETIC PARTICIPATION REQUIREMENTS

Participation is a privilege for all students who choose to participate; it is not a right. We maintain strict standards in academics, behavior, and making healthy choices. We believe our athletic programs represent the school and community. It is because of this belief that we hold our student athletes to a high standard. We emphasize dedication and commitment to the team and program, a desire for success, and sacrificing personal goals for team goals.

ACADEMICS

Eligibility is determined on previous semester record. A student must pass 66% of a full load of classes and have a minimum of 1.8 GPA for the semester.

PHYSICAL

A student must have a current valid physical on record to participate in any athletic event (i.e., conditioning, practice, try-outs). Physicals should be uploaded to the Final Forms Registration program.

REGISTRATION

All HS/MS students/parents must complete registration through the Final Forms Registration program @ monroe-mi.finalform.com

Further details on all requirements can be found in the Parent-Athletic Handbook available on our website.

OUR PHILOSOPHY

The athletic program at Monroe Public Schools is an integral component of the total educational experience and will offer your student valuable learning opportunities. It is our desire that participation in our

program is an extension of what transpires in the classroom and echoes the vision and mission of our district. The opportunity to play for Monroe is a privilege and not a right, therefore we expect our

athletes to behave accordingly. We will make every effort to offer the best in equipment, facilities, and coaching. All athletes will abide by the Michigan High School Athletic Association, The Southeastern Michigan Conference as well as the Monroe Athlete Code of Conduct.

The athletic department would like to take this opportunity to share information about the Monroe Public Schools Athletic Department. The athletic program has several integral players: the athletes, coaches, parents, and school staff. The focus of these key players should be on what school sports are about: the team. School sports promote the ideas of teamwork, discipline, personal sacrifice, hard work, sportsmanship, healthy lifestyle, and loyalty to school and community.
