

MONROE MINUTE

#2 - Learning More About MPS

In this survey, we wanted to know what you want to know! Monroe Public Schools has so many programs and initiatives to offer our community; we want to know how we can help you explore these options and support your children in finding their future!

We asked, you answered, and we listened!
Here's what you had to say
in the last **Monroe Minute**
survey!

Q1: Rank in order of interest the follow academic programs you would like more information about or would like to learn more about.

1. **Direct College and Dual Enrollment** - 3.49 total rating score, 28% rated this their highest topic of interest
2. **AP Course Offerings** - 3.32 total rating score, 20% rated this their highest topic of interest
3. **CTE Offerings** - 3.09 total rating score, 21% rated this their highest topic of interest
4. **Elementary Initiatives** - 2.99 total rating score, 28% rated this their highest topic of interest
5. **Generation E** - 2.11 total rating score, 3% rated this their highest topic of interest

College-readiness initiatives such as direct college, dual enrollment, and AP course offerings scored highest in respondents' answers. Elementary Initiatives and Direct College/Dual Enrollment received the highest percentages of first place votes. Our next two Community Coffee Hours are centered around these elementary initiatives and post-secondary planning.

Q2: Rank in order of interest the following programs and student services you would like more information about or would like to learn more about.

1. **Post-secondary Planning** - 4.42 total rating score, 38% rated this their highest topic of interest
2. **Technology Offerings in Monroe Public Schools** - 4.38 total rating score, 23% rated this their highest topic of interest

4. **Community Agency Connections** - 3.31 total rating score, 5% rated this their highest topic of interest
5. **Medical Team Services** - 3.15 total rating score, 9% rated this their highest topic of interest
6. **Support for Families in Transition** - 1.95 total rating score, 5% rated this their highest topic of interest

Post-secondary planning and technology in Monroe Public Schools were the programs that were most engaging to this survey's respondents. Social-emotional services also received 20% of first-place nods.

Q3: Rank in order of interest the means by which you would like to learn more about the information from the previous questions.

1. **Email, blogging, etc.** - 4.61 total rating score, 37% rated this their highest topic of interest
2. **Social Media Updates** - 3.89 total rating score, 25% rated this their highest topic of interest
3. **Information on the MPS website** - 3.72 total rating score, 10% rated this their highest topic of interest
4. **Brochures, flyers, etc.** - 3.57 total rating score, 15% rated this their highest topic of interest
5. **Information meetings, events** - 2.91 total rating score, 9% rated this their highest topic of interest
6. **Webinars, online chat sessions, etc.** - 2.30 total rating score, 4% rated this their highest topic of interest

The results from the means inquiry show that respondents would prefer to have their information come electronically, starting with email and social media updates. This shows the need for a stronger online presence.
